RAVYAS<sup>TM</sup>

## ABOUT US

RAVYAS is one of the brand by Tyagi International, under that we are offering complete turnkey project execution for pre-fabricated buildings, Modular Homes, Containerised Cabin, Porta Cabin and Tiny homes from designing, fabrication and interior solutions. All fabrication work done inside the workshop by dedicated quality team to check the quality of raw material and finished goods.

We are catering the customer from different industries and mostly for India and Bangladesh.

Established in 2010, Tyagi International is a leading proprietorship venture, better known as the Manufacturers, Traders, Exporter and Suppliers of premium-quality Tube Mill, Sleeting Machine, Galvanizing Plant, Hydraulic Press Machine, End Facing Machine, Pipe Bending Machine, Pipe Testing Machine, Roll Sets, Ferrites Rod, Fly Saw Cutter, High Frequency Welder and many more. These machines are supplied in bulk to tube mill industries in the form of equipments and parts. These are manufactured using raw materials such as stainless steel, alloy and metal and available to clients in a variety of shapes, sizes and dimensions at economical prices. Manufactured at our state-of-the-art infrastructure facility, these products are known for their efficiency, durability and resistance to damage.
